Ref. No. 7257/43-B1. dated 7th August 1943.

Sir,

Subject:- Madras Forest Service - Recruitment - by transfer - Estimate.

Refce. Paragraph 14 of G.O. No. 2705, Public, (Services) dated 25th November 1941 and Government Memorandum No. 14035-C/42-1, Dev., dated the 9th May 1942.

In G.O. No. 3530, Dev., dated the 13th April 1943, three Rangers - Sri K.F. Appiah, P. Madhavan Nair, and S. Narayanaswami Ayyar - were promoted to act as Assistant Conservators of Forests, as a temporary measure, pending the selection of candidates in consultation with the Public Service Commission.

2. In addition to these three vacancies, a further vacancy has arisen on the retirement of Khan Bahadur M.A. Hafiz with effect from the 13th July 1943. Md. Abdul Karim Sahib Bahadur

Sahib Bahadur, Assistant Conservator of Forests, is due to retire, on superannuation, on the 8th December 1943, and Mr. D.L. Sathe, Conservator of Forests, on the 27th May 1944.

Thus, during the period from the 1st November 1943 to the 31st October 1944, there will be six vacancies in the Madras Forest Service, which will, in the ordinary course, have to be filled by the promotion of Rangers. But this number will be reduced to five, if Government accept the proposal, made in my Ref. No. 5971/43-B1, dated the 14th July 1943, to re-employ Md. Abdul Karim Sahib Bahadur after his retirement in December 1943.

3. Three Assistant Conservators of Forests are required in connection with the cultivation of pyrethrum - one temporary post having already been sanctioned for the Nilgiris division and another, for the Madura division, being applied for separately. A second gazetted post for the Nilgiris pyrethrum work is also found necessary and is being applied for separately.

4. Thus the requirements will aggregate 8. Providing a reserve of two, it is considered that ten candidates should be selected in consultation with the Public Service Commission, from amongst suitable Rangers, for appointment as Assistant Conservators of Forests during the period from 1-11-1943 to 31-10-1944. This estimate may be furnished to the Commission.

5. Proposals for the actual selection of candidates, accompanied by the personal files of the Rangers, will be made to the Madras Public Service Commission on receipt of Government's orders.

proposed to be re-employed after his retirement,
the M.P.S.C. may be asked to select from amongst
suitable Rangers, ten candidates for appointment
as Asst. Conservators during the period from
para 4, p 2 cf. 1. 11. 1943 to 31. 10. 44. The basis of this estimate
is explained by him in his letter on pp. 1-2 c.f.
The file regarding the re-employment of Mr.
Karim has been circulated to H.E. In that file
A.2 has agreed to the re-employment of the officer.
If H.E. also agrees to the re-employment of the

officer only 10 candidates need be selected as suggested by the C.C.F. Subject to orders, a draft letter is submitted for approval. It may perhaps issue in anticipation of H.E's approval of the proposal to re-employ Mr. Karim, as the list of nominations has to be submitted to the Commission by the C.C.F. by 1.9.1943. ✓

The three vacancies referred to at 'A' on p.1 c.f. take into account the post of a Gazetted Assistant to the D.F.O., S.Kanara. This post was promised in the Memo. of June 1940 but has not been specifically sanctioned. The question of sanctioning the post will be taken up after issue of the letter.

'A' above:- The need for the employment of a Gazetted Assistant in the South Kanara Division was already accepted by the Govt.; but the post of the p 14 of (E)

Asst. was not specifically sanctioned as surplus, officers were then available for appointment to that post. An Asst. Conservator of Forests was employed as an Asst. since 1938. Now as there are no surplus officers on duty in the Province, it is for orders whether the post may be sanctioned and the strength of the M.F.S. cadre increased by one. Subject to orders, a draft order is submitted for approval. It may be sent to Fin. Dept. for acceptance.

No formal orders sanctioning the post were then issued as there were three surplus officers in the Dept. and the C-C & L could utilize one & three for doing the duties attached to this post. The position has now changed and the no. of officers available for duty is less than what the Dept. requires. An additional post may formally be sanctioned and the permanent Cadre & the Service may be fixed at 5/. (The present sanctioned Cadre is 50 - Vide G.O. No. 962 Public (Ex) dt. 24-3-42). The remarks of Dir. may be invited.

Please see the note of Dev. above. The need for a gazetted Assistant to the Dt. Forest officer, South Kanara

Dev. G.O. 22331 C.43-2 27.3.43.

was accepted in 1939, but the creation of the post was deferred until no surplus officer was available. As the number of officers available for duty is less than what the department requires, Development propose to sanction the post now. Finance may agree. The cost on account of the proposal is Rs.4 253 per annum. A proposal of this kind should ordinarily be brought forward as a Part II scheme for 1944-5. If however Development consider that the post should be sanctioned in the current year itself, orders in circulation including A-1 may be obtained.

2. The next question for consideration is whether the post should be sanctioned temporarily for a period of one year or as a permanent measure. Under para 3 of Finance Memo No.39612-A E-II-1 dated 9-1-37, no proposal for making any temporary establishments permanent should be taken up for consideration until the establishment has been in existence continuously for 5 years. Even then the establishment should not be made permanent unless experience has shown that the staff is permanently required to deal with the normal volume of work each case being decided on its merits. A fair proportion of additions to sanctioned strength are the outcome of considerations more or less of a permanent nature. In order to satisfy the above test, they are, nevertheless, placed first only on a temporary basis. Following this general practice, this department may suggest that the additional post in this case also, be sanctioned on a temporary basis in the first instance.

(Notes from the bottom of P.3. above may be read)

'A' above. A gazetted Assistant was already being emplo in the South Kanara Division from among the surplus office As no surplus officers are now available for the post it is for orders whether the post may be sanctioned in the current year itself.

'B' on p.5 above. The post of the Gazetted Assistant in the South Kanara Division had already been in existence for a continuous period of about 5 years. It has already been shown by the C.C.F. that the officer was required permanently to deal with the normal volume of work in division. In the circumstances it is for orders whether the post may be sanctioned on a permanent basis. The post may be sanctioned in the current year itself.

CRA. 10/9/43 SS 10.9.43

2. As this post has been in existence already for nearly 5 years now, the considerations mentioned in para 2 of the note do not apply to this case. It may perhaps be sanctioned straightaway as an addition to the permanent cadre.
